Commissioner for Patents

Receipt is acknowledged of a request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e) and a submission, filed on 11/9/04. The submission, however, is not fully responsive to the prior Office action because it fails to include a complete or accurate record of the substance of the 8/4/04 interview. The Request for Continued Examination of 11/9/04 merely requested entry of the amendment filed 10/12/04 (not entered after-final amendment), but did not include a summary of the interview of 8/4/04. The comments/arguments which accompanied the after-final amendment of 10/12/04 was not accompanied by, nor did it incorporate, a summary of the interview of 8/4/04. As no response filed to date contains a summary of the interview, the RCE is not fully responsive to the previous office action.

Since the submission appears to be a bona fide attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period for reply supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Marjorie A. Moran whose telephone number is (571) 272-0720. The examiner can normally be reached on Mon, Wed: 7-1:30; Tue, Thur: 7:30-6; Fri 7-3:30 EST.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Ardin Marschel can be reached on (571) 272-0718. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.
